ORANGE COUNTY RESCUE MISSION:

Orange County Rescue Mission is an organization that aids the homeless. At the facility, our volunteers packaged donated canned food to be shipped out. They also helped serve lunch for the homeless as well.

Schaborum Park 3/4

Our volunteers understand that beach pollution doesn't start at the beach, it starts in our backyards, neighborhoods, and local parks. By going straight to the source, our volunteers have taken on the challenge of addressing pollution at its origin. Through their efforts, we can reduce the amount of pollutants that make their way into our oceans and beaches, creating a cleaner and safer environment for all. Thank you to our dedicated volunteers for their commitment to protecting our planet.

Park Adoption 3/18

Life Reset adopted Hope for the Hills park to revitalize and improve it for the community. Life Reset adopted this park of February 1 and the first cleanup took place on the 18th. Hope for the Hills, located on 1999 Avenida Cabrillo, covers 6.3 acres of land and contains many sources of recreation for its visitors. It offers BBQ areas, picnics, and a playground. It also has places for sports, such as a tennis and basketball court.
