VOLUME 4:1

Welcome Life Reset Families

Welcome to all the new and returning members joining Life Reset for the 2023-2024 service year. The Life Reset Foundation is steadfast in its commitment to providing dedicated services, empowering young individuals to become engaged citizens involved in a wide spectrum of societal initiatives. Together, we strive to build a sense of community that brings fulfillment in our lives as well as the lives of those we impact. Let's make it a memorable service year!

10/21 Hope for the Hills Park Cleaning

Noah Johnson, West Torrance High School (11th)

Our first event was held on a bright Saturday morning at our adopted park, Hope for the Hills located in the city of Chino Hills. We kicked off our first event over snacks and greetings, recognizing the familiar faces and welcoming the new ones. We separated into groups to efficiently collect the trash that had been building up at the park since the last time we had been there. We

also looked for any signs of vandalism or damage on the park property. As my group walked up and down the trails, the park appeared to be well kept. However, on a deeper look, we found hidden cans, plastic litter, and other various

debris. Smaller acts like collecting trash at parks may not seem like much in the moment, but over time can have a great impact on the community, emphasizing the importance of organizations such as ours.

10/28 Korean War Memorial Park Cleaning

On the last Saturday of every month, the Life Reset Foundation holds an event to clean up the OC Korean War Memorial in city of Fullerton. We have made it our goal to do so in order to preserve the integrity of the memorial, as well as to honor those who served and gave their lives for freedom. During the cleanups, we wipe down the granite that holds the names of 40,000 fallen troops to ensure that it stays pristine. In maintaining the memorial, we learn about our veterans and our history. Adjacent to the Korean War Memorial is Hillcrest Park where we have members plog with the intent of beautifying the area. Although we didn't originally do this as a normal routine, we saw the need presented by the community and took the initiative to act on it.

라루체 챔버 정기연주회

내달 4일 EK 아트갤러리서

라루체(La Luce) 챔버 오케스트라(음악감독 전창한) 2023 정기 연주회가 오는 11월 4일 오후 7시 EK 아트갤러리(1125 Crenshaw Blvd, LA)에서 열린다.

‘시간’을 주제로 한 이번 연주회에는 라흐마니노프의 보칼리제, 드뷔시의 달빛, 슈베르트의 마왕 등 아침과 밤, 사랑과 이별, 탄생과 죽음, 사계절을 노래하는 곡들을 선보인다. 또 바리톤 채홍석씨가 전조출연해 아름다운 가곡을 들려줄 예정이다.

2021년 9월 창단된 라루체 챔버 오케스트라는 봉사 연주와 취미 활동을 목적으로 하는 아마추어 성인 오케스트라로, 매주 목요일 오후 7시부터 9시까지 LA에서 모여 연습하고 있다.

전창한 음악감독 겸 지휘자는 점점 더 차갑고 개인주의로 변해가는 각박한 이 시대에 이번 음악회가 사랑의 빛이 되어 우리 모두의 마음을 따뜻하게 비추게 되길 소망한다고 전했다.
