12/2 **Toy Drive**

The Life Reset members participated in making pet toys from October to November. On December 2, we gathered all the toys that were complete and donated approximately **10,000** pieces of toys (That's right, you read it correctly) to the Inland Valley Humane Society located in Pomona. These toys are being used for many cats and dogs in the animal shelter as they are waiting for their adoptions. Many of the animals in the shelter were suffering from malnutrition, illnesses, and fear. The crafted toys will comfort and provide them with fun activities. Thank you, all the members, who have generously donated your time, money, and talents to make fun toys for the animals.

Habitat for Humanity 11/4

On November 4th, our volunteers came together with Habitat for Humanity, a nonprofit housing organization. It transforms families' lives by providing safe and affordable housing.

We went to Pomona Valley Habitat For Humanity ReStore, Montclair to assist in back-store activities. We worked on pricing items, organizing equipment, cleaning up the area, and more.

Hollywood Christmas Parade with KAYPA

11/26 & 12/2

The Korean American Youth Performing Artists (KAYPA) is a non-profit organization that has participated in many parades to promote the Korean culture and its community. They warmly welcome our volunteers to participate in the Hollywood Christmas Parade.

The Hollywood Christmas Parade is dedicated to inspiring kindness and the spirit of giving and helping others. The parade came about in 1928 where it was originally called the Santa Clause Lane Parade. Since then, it has grown from promoting shopping

to supporting charities and hosting numerous bands & organizations.

On Sunday, November 26, our volunteers and KAYPA performed at the 91st Hollywood Christmas Parade.

On December 2nd, we stayed to organize costumes and clean after the parade.

Thank you to all the volunteers who participated in this event!
