DECEMBER NEWSLETTER

EDITOR'S NOTE

Hello Life Reset,

As we wrap up the 2025 year of volunteer service, the editorial team would like to take the time to thank you one and all for another incredible season. Without your contributions and effort, the Life Reset Foundation would not be where it stands today. In this new year, I hope that we can continue to strive to serve our community, help those in need, and carry our values into future opportunities. Thank you once again Life Reset, and welcome to the year 2026.

DECEMBER HIGHLIGHTS

- HOPE FOR THE HILLS ADOPTED PARK CLEANING 12/6
- CLOTHING DRIVE 12/6
- RANCHO CUCAMONGA ANIMAL SHELTER 12/13
- CONGRESSIONAL AWARD ONLINE WORKSHOP 12/14
- POMONA SERVING DINNER, AND FOOD AND BLANKET DISTRIBUTION 12/21
- CAN RECYCLING 12/21

HOPE FOR THE HILLS PARK CLEANING 12/6:

Life Reset's dedicated volunteers came together on the 6th to clean and beautify the Hope for the Hills public park in Chino Hills. The park, adopted by the foundation in 2023, and has since been under the care of the organization and its attentive members. Our members strive to maintain the park's spotless and open nature, and hope to continue to do so for many more years to come.

CLOTHING DRIVE 12/6:

On December 6th, our members participated in a clothing drive involving the organizations of A Lot of Goods, Goodwill, and Pick Up Please. Organizations like Goodwill work to “enhance the dignity and quality of life of individuals and families by strengthening communities, eliminating barriers to opportunity, and helping people in need reach their full potential through learning and the power of work,” while the Pick Up Please foundation targets helping U.S veterans, teens in southern California, the Special Olympics, and partnerships with initiatives focused towards finding environmentally sustainable solutions for water and sanitation. Our volunteers were able to donate a total of 97 bags of clothing!

ANIMAL SHELTER VOULENTEERING 12/13:

Our members partnered with the Rancho Cucamonga Animal Shelter on the 13th to help reorganize and clean the facility. These efforts will continue to the year 2026 to make differences in many stray animals that await to find new homes. At the end of cleaning the facility, LR members had a chance to embrace and pet a little puppy in the shelter.

CONGRESSIONAL AWARD ONLINE WORKSHOP

12/14:

Life Reset participated in an online workshop regarding the contents and applications process of the Congressional Award. The workshop, hosted by the foundation's advisor Hannah Cho, provided our members with valuable information and new perspectives towards accomplishing this opportunity. The Congressional Award is divided into four areas for participants to focus on: Voluntary service, Self-development, Physical fitness, and Exploration. The program is designed to enrich teens in all aspects of life that can be challenging and yet fulfilling.

DINNER SERVICE & FOOD BLANKET DISTRIBUTION 12/21:

Life Reset's members worked with the city of Pomona to provide for the homeless lunch and Blanket Distribution in this cold season. This event gave our members the opportunity not only to help the needy, but also to offer an opportunity to learn the spirit of giving during this holiday season.

CAN RECYCLING 12/21:

To wrap up the year, Life Reset collected the many cans accumulated from the big holiday parties of this month. Each member drove out to their local recycling facilities with cans collected from their homes; an opportunity that helps to teach our youth the good habit of recycling, and its importance to the community and environment. The money collected from this recycling will be used to fund the Youth Ladder Scholarship for the next year.
